THE CHIPP ANSWER MAN

Q: WHAT IS THE WIDTH OF YOUR NECKWEAR?

A: Our four-in-hand ties measure 3 1/2" or 3 3/8" at the blade. Bow ties are 2".

Q: ARE BOW TIES COMING BACK INTO FASHION?

A: They never left.

Q: WHAT FABRICS DO YOU USE IN YOUR SHIRTS?

A: All our shirts are made in 100% cotton. They wear longer and are more comfortable.

Q: IS THERE A COLLAR STYLE THAT IS "IN"?

A: The buttondown is the staple of your wardrobe. Once you have the basics covered, why not try a round collar? Or the classic tab? Or the plain town collar? These are styles that will complement classic clothing regardless of temporary vogue.

Q: CAN I ORDER BY PHONE?

A: Sure. Our number is (212) 687-0850. Ask for Paul Winston or Harland McPhun. We are here to help you.

Q: IS THIS ALL THE MERCHANDISE YOU CARRY?

A: Hardly! We have a full range of suits, odd jackets, odd trousers, swim trunks, walk shorts, sport shirts, belts, and other accessories. Unfortunately, the stock requirements for showcasing this many products in a brochure are prohibitive. If you do not see it pictured here, give us a call and we will give you a full description of our offering. As always, we are happy to forward swatches when fabric is available.

Q: I HAVE ORDERED FROM YOU BEFORE, AND LOVE YOUR THINGS; BUT WHY ARE SO MANY ITEMS BACK ORDERED?

A: Being a specialty shop with a specific set of standards means that we can only use a handful of suppliers. The price we pay for getting the quality we want is working with smaller manufacturers — the workmanship is excellent but the deliveries are slow. We do not intentionally photograph items that will be late arriving and/or subsequently canceled by our suppliers. But every season a few items are late into stock, and a couple are canceled outright. We try to keep all our customers informed, but if you have any questions give us a call and ask for Jackie (answer person extraordinaire).

Q: WHO WRITES YOUR COPY?

A: Dunlap Dinwiddie III. Of course.
